OUR HISTORY IS MINING

American Mining Insurance Company, was founded in 1989. We specialize in mining operations, offering primarily Workers' Compensation Insurance, but also provide General Liability, Automobile and Umbrella Coverages.

As American Mining Insurance Company has grown and expanded geographically, we have become the preferred provider of insurance coverages to many within the mining and aggregates industries.

American Mining Insurance Company is, and will remain, totally committed to providing multi-line coverage for mining and mine related companies.

OUR BUSINESS IS YOU

A large part of our success is due to the experienced insurance professionals on staff. This team includes experts in accounting, marketing, underwriting, loss control, claims and management information systems.

Our philosophy stresses customer services, expert underwriting, timely data and financial reporting, and the rapid, reasonable and fair handling of claims.

We also have a conservative investment portfolio and purchase reinsurance from worldwide leaders in the field. This sound financial strategy has earned American Mining Insurance Company a rating of A- (Excellent) from A.M. Best Company.
